
LA TERRA

The Land is a gastronomic experience that appreciates little things from our everyday life.

All the products we feature are raised, grown and produced on our farm, or are shared with us by farmers who live and work next door.

That's why we say that to prepare *The Land*, we just look out through our window.

Includes two appetizers, four courses and two desserts.

€ 78 per person

€ 102 with pairing

10% I.V.A. included
